## SPECIAL NOTICE TO NAVIGATION INTERESTS

### Safety Notice to Mariners

#### UMR MILES 200.8 Melvin Price Locks and Dam ( Main Chamber Approach)

1. All navigation interests are advised that the St. Louis District has issued Safety Bulletin for Melvin Price Locks and Dam, Main Chamber approach.
2. St. Louis Bridge, contractor for the corps of Engineers, will be performing Rehab work on the Tainter gates at Melvin Price. At this time they are working on Gate number 5 and moving to Gate 4. This work requires the adjacent gates to be closed and sealed for the safety of the contractor's employees. This is creating a strong "Eddy" on the Main lock North bound approach. All mariners should use extreme caution as they make their approach north bound.
3. Additional information or instructions will be available from the Lockmaster. He can be reached on channel 14 marine band, or by land line 636-899-1543
5. All navigation interests should be alert for, and abide by, any special instructions that may be issued by the Lockmaster or lock staff in regards to this notice..

FOR THE DISTRICT ENGINEER:

Andrew C. Schimpf, P.E.  
Rivers Project Manager
