LOCK RESTRICTIONS

TJ O'Brien Lock & Dam, RM 326.5

Due to low water levels on Lake Michigan, there is no fender protection at lower water levels to protect the upper guide wall sheet piles. Mariners are restricted from using the upper guide wall and are requested to use caution on approaching the lock chamber.

Please contact T.J. O'Brien Lock and Dam, telephone number (773) 646-2183, for further lock instructions.
