SPECIAL NOTICE TO NAVIGATION INTERESTS

MEL PRICE LOCK AND DAM

1. All navigation interests are advised that the main lock chamber will be closed during the period from 0600 on 20 August 2013 to 1700 on 23 August 2013.
2. The closure is required to perform repairs to the main lock liftgate.
3. The 600-ft auxiliary lock will be available for use during this time. However, no tow haulage unit exists on the auxiliary lock, so tows requiring double lockage must provide their own helper boat.
4. All navigation interests should be alert for, and abide by, any special instructions that may be issued by the lockmaster.
