SPECIAL NOTICE TO NAVIGATION INTERESTS

Weir Degradation
UMR miles 195.0 – 0.0

1. All navigation interests are advised that USACE contractor Patton Tully will be performing work within the navigation channel degrading weirs at multiple locations between miles 195.0 and 0.0 UMR starting on or about 30 September. The contractor's work schedule will be from 07:00 to 17:00 hours, Monday through Friday.
2. All navigation interests should exercise caution when passing Patton Tully's floating plant and request passing instructions by contacting the vessel Ms. Jennie on VHF channels 13-16 and 68 or cell phone 901-494-8427.
3. The first work location will be at mile 174 UMR. An updated work schedule will be provided by amendment when it is available.
